

2. If "24h airline rule" cancellation reason is available as shown below, this means the order is eligible for 24h automation. The system will show until 24h airline rule cancellation is available both for the issuing office and the site market where tickets were purchased. **If "24h airline rule" is not shown in Edvin Refund Calculator, proceed with the usual routine as described [here](#).**

Refund offers							
Source	Cancellation reason	Expires (Athens office)	Expires (CH site)	Refundable air	Refundable other	Handling fee	Total
Void	—	—	—	Void expiration time has passed
