

Only for

1. Calculate the cancellation fee as usual, as there were no problem, and inform the customer the total cost for the regular cancellation.
2. Get confirmation of cancellation of passenger from the customer.
3. Place on own local FL support only to check with the airline if possible to move infant or add infant. Any extra costs associated with the move of the infant should be Complaints Other - Reason code: Infant chg/cxl - Note: Infant chg/cxl
4. Support agent will send booking to Refund and send cancellation confirmation from Edvin.

*****Note:*** As the Airlines follow different routines, our process is as mentioned above. Agents cannot attempt to remove infants on their own.
