SC Refund

Procedure for Handling Involuntary Refunds

1. Document Verification in Edvin: The FL/SC agent is responsible for reviewing Edvin's documents to ensure that an involuntary refund is authorized in accordance with policy guidelines.
2. Deadline Check:
 - Verify if there are any specific deadlines associated with processing this refund.
 - If yes, and it is close to the deadline as per airline policy, or SSR, or guide (*within 4 hours of the deadline*), then the agent should **prioritize the refund and manually handle the refund.**
 - If no deadlines are indicated, proceed with the following steps:
3. Handling Based on Original Travel Time:
 - If Original Travel is **More than 4 Hours:**
 1. Update the Modify button accordingly, allowing SL to assume the case.
 2. Ensure any applicable waiver codes are documented clearly in the errands.
 - If Original Travel is **Within or Less than 4 Hours:**

Follow the manual handling refund routine and handle it.

Step 14

Solution

Parent step: 1

Name correction/Name change

For Tripstack bookings:

Agents can NEVER contact EasyJet - not by phone, chat, email, or in any way and not even on behalf of the customer. Please refer the customers to the airline company directly.

1. On the EasyJet.com homepage, click on 'Manage bookings' and log in with the credentials from Edwin documents and the PNR from Edwin.

2. Click on "Change names":

Please note that if you change a passenger's name, it will be changed on all flights associated with the passenger. So for example, when we have a return flight, the passenger's name will be changed on the outbound and the inbound flights.
