Step 7

Solution

Parent step: 1

Customer denied boarding/check in

Applicable when:

- Customers are denied boarding at the airport due to the airline requesting them to show the credit card used for issuing the ticket: **Passenger could not travel.**
- Customers are denied boarding at the airport due to the airline requesting them to show the credit card used for issuing the ticket. **Customer had to pay for the ticket again using their own credit card at the check-in desk.**

If the customer was denied boarding due to the above reasons/and or had to buy a new ticket at the airport, as the airlines demanded, the credit card used at the time of the booking creation:

1. Inform the customer that we will contact the carrier. Take as many details from the customers as possible
 - Did passengers buy a new ticket at the airport? If so, what was the price and currency? Ask passengers to send a copy of the receipt received at the airport if possible.
2. Place on urgent support queue for your location.

3. Support send an email to: customer.relations@goindigo.in including the PNR, passenger name(s), any received documents and request a full refund of the ticket(s).

Example:

Passenger(s) Nada Lindberg, **PNR xxxx**, was denied boarding due to CC used at time of booking not presented at the airport. The tickets were correctly issued from our end and paid for towards Indigo, at the day of ticket issuance when the customer purchased the tickets.

We are requesting a full refund of the ticket(s).

4. **Note to support:** If the customer is also requesting any form of **compensation**, except from the actual ticket refund. Please inform the customer to contact Indigo directly, for any form of compensation claim. Do not ask customers to send claims to our Customer Relations.

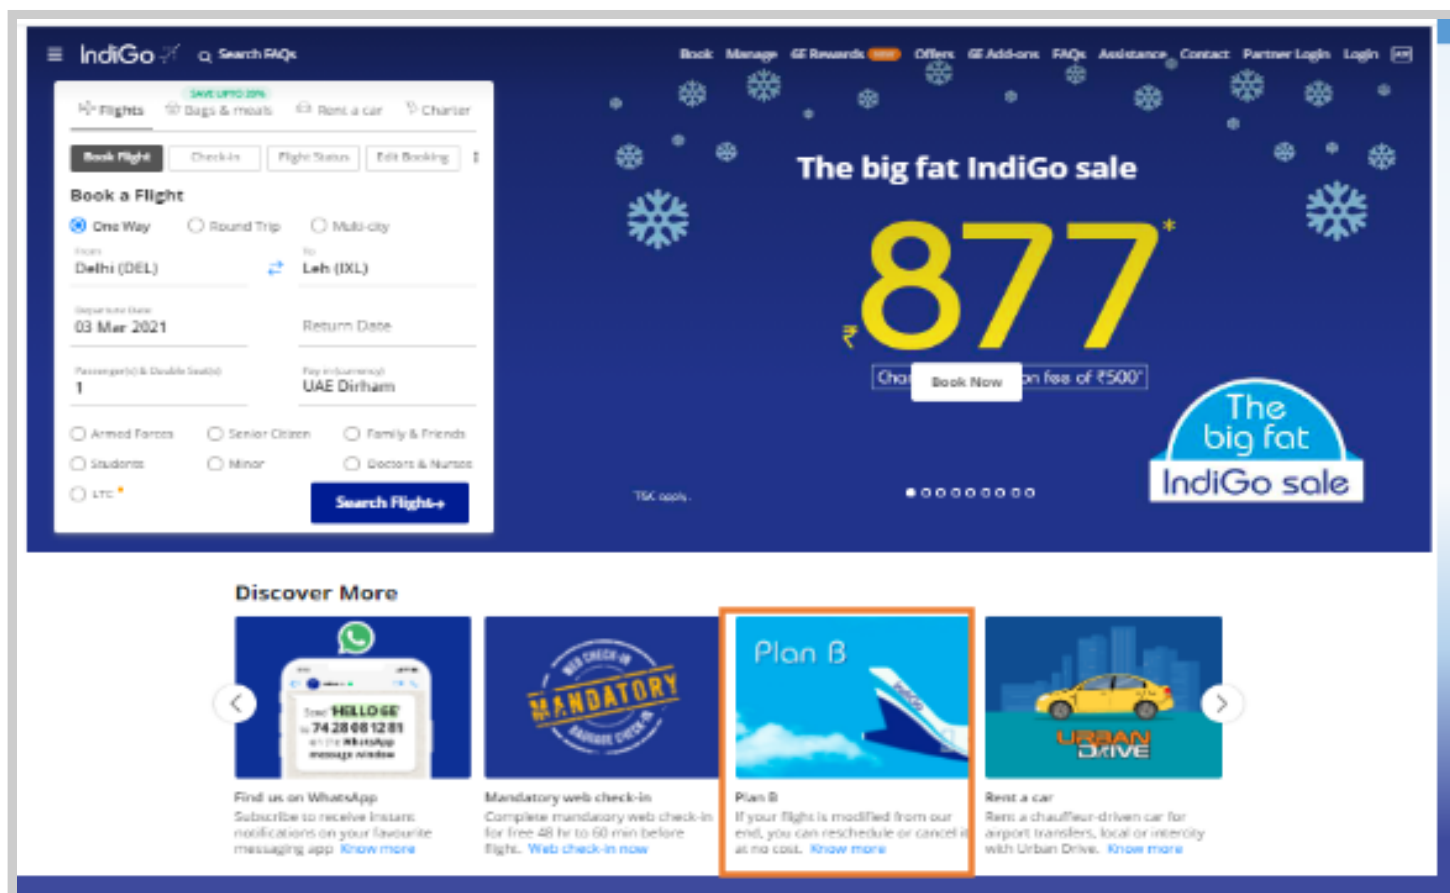

Step 8

Solution

Parent step: 2

It also includes a 'Passenger(s) & Double Seater(s)' field with the value '1'. Below the form, there are checkboxes for 'Armed Forces', 'Senior Citizen', 'Family & Friends', 'Students', 'Minor', 'Doctors & Nurses', and 'LTC'. A 'Search Flight' button is at the bottom of the form. On the right, a large promotional banner for 'The big fat IndiGo sale' features a large yellow '877' with a star, indicating a price of ₹877. A 'Book Now' button is present, along with a note 'on fee of ₹500*'. The banner also includes a 'The big fat IndiGo sale' logo. Below the banner, a 'Discover More' section contains four cards: 'Find us on WhatsApp', 'Mandatory web check-in', 'Plan B', and 'Rent a car'. The 'Plan B' card is highlighted with an orange border and contains the text 'Plan B' and 'If your flight is modified from our end, you can reschedule or cancel it at no cost. Know more'.

Procedure for Handling Involuntary Refunds

1. Document Verification in Edvin: The FL/SC agent is responsible for reviewing Edvin's documents to ensure that an involuntary refund is authorized in accordance with policy guidelines.
2. Deadline Check
 - Verify if there are any specific deadlines associated with processing this refund.
 - If yes, and it is close to the deadline as per airline policy, or SSR, or guide (*within 4 hours of the deadline*), then the agent should **prioritize the refund and manually handle the refund.**
 - If no deadlines are indicated, proceed with the following steps:
3. Handling Based on Original Travel Time:
 - If Original Travel is **More than 4 Hours:**

1. Update the Modify button accordingly, allowing SL to assume the case.
 2. Ensure any applicable waiver codes are documented clearly in the errands.
- If Original Travel is **Within or Less than 4 Hours:**
Follow the manual handling refund routine and handle it.
