Ancillaries

a. Ancillaries chargeable by the airline:

For ancillaries add-ons we charge the respective mark-up on the top of the provider's cost. Check relevant mark-ups [here](#).

No further service fees are added after multiplying the provider's cost by mark-up.

b. Ancillaries FOC by the airline:

Neither ETG fees, nor mark-ups are charged if the ancillary is provided by the airline free of charge.

Step 9

Solution

Parent step: 5

Involuntary refund requests (communicated before or after departure)

For the involuntary cancellation reasons, **NO FEE** should be applied.

The values are prefilled accordingly in *Modify order button* flow Edvin in local currencies, for each respective cancellation reason as follows:

CXL reason	Amount (EUR/per PAX)
Force majeure - refund	0
Schedule change - refund	0
GDPR waiver	0
Cancellation protection ETG	0

For the whole Pricelist in local currency per market, refer [here](#). If any market is governed by a different rule, this is included in the mentioned link.

Step 10

Solution

Parent step: 5

Voluntary refund requests communicated before scheduled departure of the flight

Our ETG service fee of **40 EUR per passenger** or its equivalent in the local currency, applies on top of the provider's cost for the voluntary refund requests.

The fee is charged per passenger for adults and children. For infant passengers fee is not charged and this setting is included in the configurations - no manual actions are needed.

The values are prefilled accordingly in *Modify order button* flow Edvin in local currencies, for each respective cancellation reason as follows:

CXL reason	Amount (EUR/per PAX)
24h airline rule	40
CXL before ticketing	40
Ticket rules - airline fee	40
Ticket rules - taxes	40
Void *	40

*VOID is **always** charged per total number of passengers in the booking. There are **NO** 'discounts' related to the number of passengers, values of the ticket or time of communicating the request.

For the whole Pricelist in local currency per market, refer [here](#). If any market is governed by a different rule, this is included in the mentioned link.

Step 11

Solution

Parent step: 5

Voluntary refund requests communicated after scheduled departure of the flight

Our ETG service fee of **65 EUR per passenger** or its equivalent in the local currency, applies on top of the provider's cost for the voluntary refund requests, with below criteria:

- the scheduled flight departure of **unflown** segments is in the past
- flights were **not** affected by any schedule change or force majeure situation, for which we have an applicable policy
- even if the PAX is not considered no-show by the airline

The fee is charged per passenger for adults and children. For infant passengers fee is not charged and this setting is included in the configurations - no manual actions are needed.

The values are prefilled accordingly in *Modify order button* flow Edvin in local currencies, for the respective cancellation reason as follows:

CXL reason	Amount (EUR/per PAX)
Ticket rules - cancel after departure	65

For the whole Pricelist in local currency per market, refer [here](#). If any market is governed by a different rule, this is included in the mentioned link.

Possible complaints:

If the passenger strongly disagrees with the applicable fee, then please follow the standard escalation process for *Goodwill - Fee waiver* routine, for Inhouse agents check [here](#) for Outsourcing agents please escalate to your Manager/SV.

ATTENTION: The service fee will not be totally waived. The Manager/SV can **ONLY approve that we will charge 40 EUR voluntary fee, instead of 65 EUR.**

By reasons for strong complaint we mean:

- Customer contacted the airline to cancel the reservation before the departure, but reached out to us for refund after the departure
- Customer mentions any exceptional circumstances, that did not allow him/her to contact us on time prior the departure

Step 12

Solution

Parent step: 5

Refund requests for CC2C orders

For CC2C orders there are two different products available in the *Add on cart* in Edvin in order to charge the applicable service fee:

New Add on cart product	Amount (EUR/per PAX)
Our Service Fee - Vol. Cancellation	Need to be manually filled with the amount per passenger: 40 EUR for requests made before departure 65 EUR for requests made after the departure
Our Service Fee - Vol.. Cancellation (urgent)	Need to be manually filled: 40 EUR for voluntary cases
ATTENTION: amount always to be inserted and communicated to the passenger in the local currency!	

For the whole Pricelist in local currency per market, refer [here](#). If any market is governed by a different rule, this is included in the mentioned link.

1) Our Service Fee - Vol. Cancellation

Applicability: CC2C voluntary cancellation requests

This product has to be **manually filled in** with the respective amount **per passenger** in local currency as per below scenarios:

- Voluntary request before scheduled departure of the unflown flights: 40 EUR
- Voluntary requests after scheduled departure of the unflown flights: 65 EUR

You just have to select applicable passengers to get the total service fee amount.

2) Our Service Fee - Vol./Invol. Cancellation (urgent)

Applicability: CC2C cancellation requests in below scenarios:

- Void/24h rule cancellations
- Other urgent cases (i.e. waiver received from the airline)

Always use the product for cases requiring priority handling. Otherwise, the case will not end up on the priority dashboard.

This product has to be **manually filled in** with the respective amount **per passenger** in local currency as per the below scenarios:

- Voluntary requests: 40 EUR

You must select applicable passengers to get the total service fee amount.

Step 15

Step 14

 Solution

Parent step: 13

Force Majeure related rebookings

For requests on/after the 3rd of April 2023, **NO FEE** is to be charged for

Force majeure rebooking, including open ticket or voucher

The below information was valid before 03 April 2023.

Our ETG service fee of **15EUR per passenger** or its equivalent in the local currency, applies on top of any applicable provider's cost for the involuntary change requests:

- Applicability in FM situation:
 - *Our service fee - invol. Rebooking FM* applies when the exchange is performed. For EMD voucher and open ticket requests, no fee is charged when the request is received. The service fee is charged along with any applicable provider's cost when the voucher/open ticket is redeemed.
 - *Our service fee - invol. Rebooking FM* applies also for waivers related to COVID-19 positive passengers

The fee is charged per passenger for adults and children. For infant passengers, check the routine [here](#).

The values are pre-filled accordingly for the below products in the *Add on cart* in Edvin in local currencies, based on below values:

<i>Scenario</i>	<i>New Add on cart product</i>	<i>Amount (EUR/per PAX)</i>
Rebooking request related to existing FM policy	Our Service Fee - Invol. Rebooking FM	15

Accordingly to the amount of selected passengers, you will receive the total of applicable service fees:

Step 15

Solution

Parent step: 13

Schedule change related rebookings

Our ETG service fee of **15EUR per passenger** or its equivalent in the local currency, applies on top of any applicable provider's cost for the involuntary change requests:

- Applicability in SC situations:
 - As per standard routines, *Our Service Fee - Invol. Rebooking SC* is NOT charged for 1st alternative given to the passenger (both unused and partially used). It shall apply only in cases when the customer is asking for the 2nd alternative and the agent has found one. So, it should be charged at the same time, when the agent provides the 2nd alternative.

In the *Add on cart* in Edvin you have two products corresponding to different scenarios. Both products are related to charge of 15 EUR (or equivalent in the local currency) per passenger as should be used as follows:

Scenario	New Add on cart product	Amount (EUR/per PAX)
All passengers included in the order wish to rebook	Our Service Fee - Invol. Rebooking SC	Fixed pre-filled total: 15 EUR is automatically multiplied by the amount of PAXes in the order NOTE: only when INF is not included in the order
Only selected passengers included in the order wish to rebook or There is and INF	Our Service Fee - Invol. Rebooking SC (M)	Need to be manually filled with total amount: 15 EUR per PAX needs to be multiplied by the number of PAXes (except INF) who will be changed
ATTENTION: amount always to be inserted and communicated to the passenger in the local currency! The fee is charged per passenger for adults and children. For infant passengers no fees apply!		

The image in Edvin is as below:

Our Service Fee - Invol. Rebooking SC (M)		No text added	
Our Service Fee - Vol. Cancellation			
Our Service Fee - Invol. Rebooking SC	45.00	No text added
