For any other queries where the customer is complaining about our service, fees, processes, etc we should not refer to a complaint. It's up to the customer how to proceed.

Follow the standard process, but when escalating the RHG order-related case, always remember to send the no-reply email with the title: **"Radisson - Redirect to CR"** through Edvin which can be found under the "First line - Others - Redirect to CR" folder.

For more info regarding the whole process check [here](#).
