Procedure for Handling Involuntary Refunds

- Document Verification in Edvin: The FL/SC agent is responsible for reviewing Edvin's documents to ensure that an involuntary refund is authorized in accordance with policy guidelines.
- Deadline Check
 - Verify if there are any specific deadlines associated with processing this refund.
 - If yes, and it is close to the deadline as per airline policy, or SSR, or guide (*within 4 hours of the deadline*), then the agent should **prioritize the refund and manually handle the refund.**
 - If no deadlines are indicated, proceed with the following steps:
- Handling Based on Original Travel Time:
 - If Original Travel is **More than 4 Hours:**
 - Update the Modify button accordingly, allowing SL to assume the case.
 - Ensure any applicable waiver codes are documented clearly in the errands.
 - If Original Travel is **Within or Less than 4 Hours:**
Follow the manual handling refund routine and handle it.
