Step 2

Solution

Parent step: 1

Schedule change

SC notifications autoforwarded to the customers, notifications should be visible in OTRS tab.

Then, the customer will be able to accept the change or rebook the ticket or ask for refund directly through this email on the airline's website.

The agent can also handle the case manually via the email in OTRS if needed. Note that **refund action should be performed by the claim team**, so check if involuntary refund is permitted and then modify the order.

Step 3

Solution

Parent step: 1

Name correction/Name change

Name correction/ Name change are not permitted at any time.

No cancellations are permitted except within 24 hours of booking more than 7 days from departure.

Name changes are not permitted.

Some promotional fares may have additional fare rules. These will be specified at the time of booking. Please consult your booking confirmation for more information.

Step 4

Solution

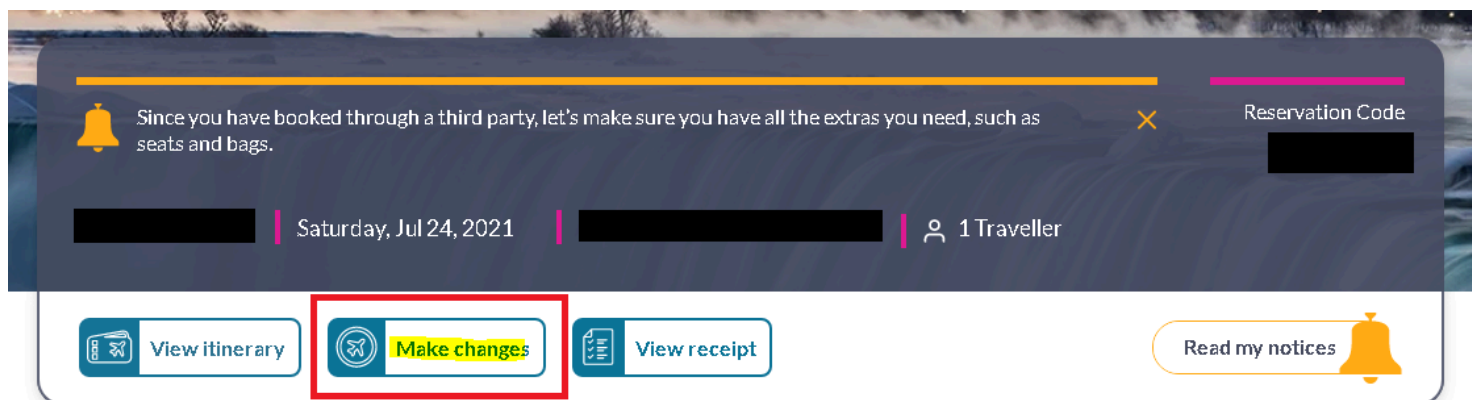

Parent step: 1

Rebooking

Rerouting (change of airports) is NOT PERMITTED.

Step by Step:

1. Retrieve the booking on the airline's website.
2. Click on "Make Changes":

3. If change is not available to click on it, means that Changes are not permitted.
 - If pax has Flexible ticket service, make a new booking.
 - If pax has not Flexible ticket service, offer a new ticket sell as per the normal guidelines.

Plans change, and if you need to cancel your flight, this is where you do it.

Airline's standard policy for fares that changes are permitted:

- If 24hour cancellation rule is applicable then **Changes NOT PERMITTED.**
- Change takes place more than 7 days before departure: **Fee is 100 CAD per person, per segment.**
- Change takes place between 7 and 3 days before departure: **Fee is 150 CAD per person, per segment.**
- Change takes place less than 3 days before departure: **Changes NOT PERMITTED.**
