Step 3

 Solution

Parent step: 1

New Ticket

Following T'Way's advice, we should refrain from issuing brand new tickets for new ticket sell and Flexible tickets manually as it might not be possible to handle any post-booking requests.

For the Flexible ticket, there should be no need to issue a new PNR as changes are allowed for all fares.

Step 4

 Solution

Parent step: 1

Name Correction

Name correction is allowed, in case the pronunciation of the name is not changing due to the typo or if the typo is 2-3 letters at most. There is no fixed cost for this kind of request, so the carrier needs to be contacted to get more details.

ATTENTION  For the time being, as we are unable to proceed with payment on the phone, passengers may directly contact TWAY reservation center or pay the name change fee at the airport counter.

Step 5

 Solution

Parent step: 1

Ancillaries

1. Retrieve the reservation as per the normal routine on the airline's website.
2. Scroll down to the field "Purchase Additional Service" and select what kind of ancillaries the customer has requested:

Purchase Additional Service

Purchase additional services for more convenient trip.

Purchase Bundle Services

Get a Prior seat

Get a meal

ATTENTION

Carry-on baggage is included within the fare price and cannot be added as extra.

- It is not possible to add extra pieces of baggage, **TWay allows to add extra kilos to the existing baggage allowance.**
- For any ancillary service, on the page where the payment method is selected, please make sure to always accept the 2 "Agree with the terms of use on Additional Services" option:

Agree with the terms of use on Additional Services

- ☒ About refund and precaution of option service excess baggage rules have been checked and agreed
- ☒ If you purchase additional services separately after booking a ticket through a travel agency, you have checked and agree to the [Guidelines for Customers Reserving Travel Agents](#)

- Proceed with the payment accordingly.
- You may check all the ancillary services added in the booking through the "Passenger Information" field:

Parent step: 1

Void/ 24h cancellation/ Dupe/ Voluntary Cancellation

The claim task has been moved to the SL team as of November 5, 2024.

ATTENTION  To make sure which of the steps you need to follow, please follow the guidelines as mentioned [here](#), where the exceptions and the rest of the general handling are mentioned.

Void - 24h cancellation

The void and the 24h cancellation for TWAY are considered to be the same process-wise. This means that any PNR that gets cancelled within the 24h window is eligible for a full refund.

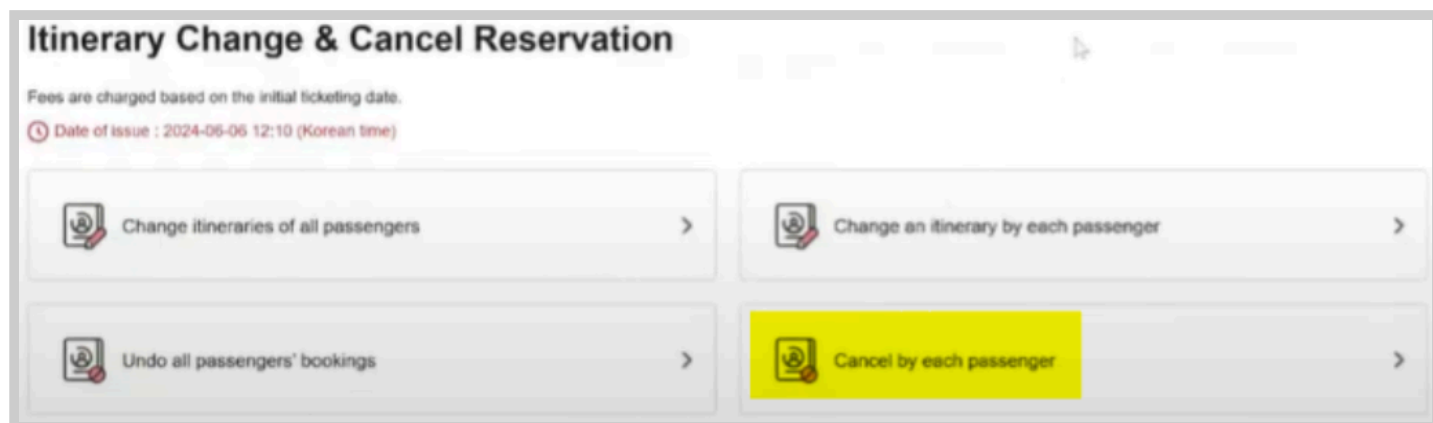

In order to cancel as void or 24h rule cancellation, you may go through “My Trips” and “My reservation” and follow the same steps as with the voluntary cancellation.

Dupe

TWay does not provide any waiver for the cancellation fees in case of duplicate tickets. Any refund is only possible according to the fare rules.

Voluntary Cancellation

1. Retrieve the reservation as per the normal routine on the airline’s website.
2. Click the option “Cancel by each passenger” regardless of if all or part of the customers have decided to cancel.

If you select only 1 passenger or part of the passengers booked in the PNR, once you have processed the request to cancel the selected, you will see the screen below:

Involuntary Refund

Procedure for Handling Involuntary Refunds

- Document Verification in Edvin: The FL/SC agent is responsible for reviewing Edvin's documents to ensure that an involuntary refund is authorized in accordance with policy guidelines.
- Deadline Check
 - Verify if there are any specific deadlines associated with processing this refund.
 - If yes, and it is close to the deadline as per airline policy, or SSR, or guide (*within 4 hours of the deadline*), then the agent should **prioritize the refund and manually handle the refund.**
 - If no deadlines are indicated, proceed with the following steps:
- Handling Based on Original Travel Time:
 - If Original Travel is **More than 4 Hours:**
 - Update the Modify button accordingly, allowing SL to assume the case.
 - Ensure any applicable waiver codes are documented clearly in the errands.
 - If Original Travel is **Within or Less than 4 Hours:**

Follow the manual handling refund routine and handle it.

Manual refund handling

If the Passenger requests a Refund, we need to reach out to the **T'Way Reservation Centre** (Refer to Edwin Docs).
