Process steps

Step 1

Agent receives evaluation & can see it as follows:

Agent should review the evaluation by clicking on it & accepting it.
In case of disagreement with the score, the agent raise a dispute (1:1):

Request One to One

Are you sure you want to send a request for a 1:1 to your Supervisor? [REDACTED]

Add a comment concerning this Score.

Cancel

Send Notification

The format of dispute should be :

Disagree with error: #Category#-#Error#

Due to: #reason#

Notification then will be sent to the Manager/TL first.

Step 2

The raised dispute first reaches the Manager/TL , who should either Reject or Escalate the case to the evaluator. The Manager/TL checks the case and if he/she considers the dispute valid then escalates it further to the evaluator :
