

If the customer have booked both flights and hotel on the same order in Edvin (called combo package) we are required to help the customer with changes and cancellations.
All Package Holiday orders in Edvin are marked with the Expedia logo.
SE/NO/DK/FI/BE/BY/DE/DK/ES/FR/GR/IT/PL/PT/UK/IE/AT who has a combo package goes under the package travel law since 2018.

Agents help the customer with questions regarding the booking. For cancellation rules see information in Edvin. For late arrival or other information contact Expedia:

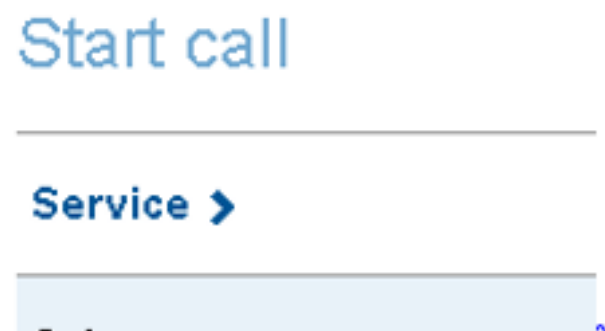

1. Call +44 2036840754.
2. Verify that you are calling from Etraveli by saying “Etraveli” and then state the email address “expedia.archive@etraveli.com”.
3. Expedia may ask for further verification, for example you may have to state one of our different webpages (for example: Supersavertravel or gotogate).

Amendments and Cancellations in Voyager

- The hotel is handled in the Expedia portal Voyager.
- UPA agents have access to the Expedia hotel Voyager to amend and cancel hotels.

HOW TO HANDLE A BOOKING IN VOYAGER (EXPEDIA)

- log in on Voyager
- Press Service

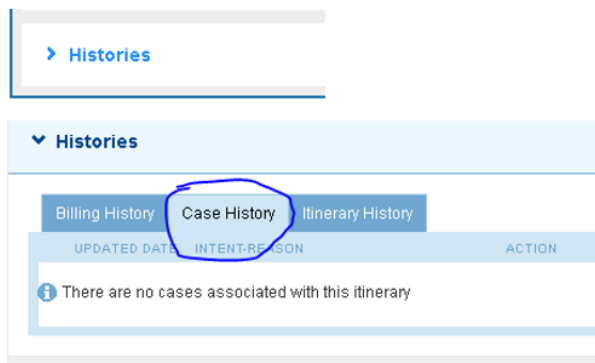

Insert Provider API reference in Itinerary/bookingID and press SEARCH

To be able to work on the booking, you need to press:

Now you are able to check/change/cancel the booking.

If you wish to check if customer has been in contact with Expedia directly, you can go to History (at the end:

There you will see all the notes added from the Expedia agent.

Exception: If this booking has gone to higher level, mail office, you will not see their notes.

Name change/corrections

We should always offer a name change/correction if customer is requesting that.

Flight:

Check Edvin documents if change/corrections are permitted on the original ticket.

If yes, process accordingly.

If no, search for new ticket on all airlines and offer the cheapest alternative to the customer.

Customer is to pay airline cost and our handling fee (as in Edvin).

Hotel:

All name change/corrections is to be made in Voyager portal.

No charge applies from the hotel supplier.

Voluntary rebookings

We should always offer a rebooking if customer is requesting that.

Flight:

Check the fare rules and Edvin documents if changes are permitted.

If yes, process accordingly.

If no, search for new ticket on all airlines and offer the cheapest alternative to the customer.

Customer is to pay airline cost and our handling fee (as in Edvin).

Hotel:

All changes is to be made in Voyager portal.

Customer is to pay supplier cost (difference in price). Use the product code "Hotel cost - Rebooking".

Cancellations

We should always offer a cancellation if customer is requesting that.

Flight:

Check the fare rules and Edvin documents if refund is possible or not.

Process accordingly if customer confirms cancellation.

Hotel:

All cancellations are to be made in the Edvin order by selecting the "cancel" button located under the Hotel Booking section.

Inform customer our handling fee for refund according to [pricelist](#).
