

We handle all PNRs as regular PNRs / LCC with some exceptions below regarding the notes, our fee and queuing.

Our service fees	• We will only charge one service fee per person/order. • If different fees on different PNRs depending on the situation; charge the highest of our service fees.
Notes	• When making internal notes in Edvin, make sure you also refer to which PNR the information belongs to. E.g: XXXXXX: Infd cxl non ref YYYYYY: Infd bag 23kg pp • Retention line in all PNRs.
Payment link	• Always write in the Order note which PNR the payment belongs to, to what person, and what the customer is paying for. • Always write in "Text to customer" which PNR the payment belongs to, to what person, and what the customer is paying for.
Queue to Refund / Ticketing	• Use "Template" from Register Errand in Edvin. • If both bookings should be cancelled/rebooked/changed; both bookings should be queued with Modify Order for cancellation and placed on the queue for rebooking. See the Cancellation & Rebooking file. • Write our service fee in the first PNR in the Summary. On the second booking write "Multi PNR" on "Other remarks". • If LCC + GDS combo and both cancel/rebook; write our service fee in the GDS booking.
