How to search for orders in Edvin

1. Search for the booking in Edvin

 [Image failed to load\(https://wiki.etraveli.net/download/attachments/74640086/image2018-9-21%2013%3A38%3A59.png?version=1&modificationDate=1537529939000&api=v2\)](https://wiki.etraveli.net/download/attachments/74640086/image2018-9-21%2013%3A38%3A59.png?version=1&modificationDate=1537529939000&api=v2)

- The reference number could either be GDS PNR or Panoramix Pincode
Or
- Search on Email address

How to handle Panoramix orders in Etrack (WNS & UPA)

1. Search in Edvin as the same routine for the Phone.
2. When confirmed it is a Panoramix booking you flag the case with a blue star.

 [Image failed to load\(https://wiki.etraveli.net/download/attachments/74640086/image2018-9-21%2014%3A6%3A5.png?version=1&modificationDate=1537531566000&api=v2\)](https://wiki.etraveli.net/download/attachments/74640086/image2018-9-21%2014%3A6%3A5.png?version=1&modificationDate=1537531566000&api=v2)

3. Save the note and this case will be given priority and will be shown at the top of the inbox
4. Agents in Athens will handle these cases (at the beginning from their inbox ATH employee but the case is visible in several inboxes).

How to handle Panoramix

The result will be shown as below and if you click on the email address you will be able to send a link to the customer to assist them further.

Please note:

- We prefer that the customers contact us via the link in the text instead of calling.
- If the customer asks why you can't help them directly you can nicely explain to the customer that as they haven't contacted us as it is advised on their booking confirmation, we need to transfer their errand to another department within the company (i.e. as we do today with different cases like Schedule Changes and so on).
